## **SPECIAL NEWSLETTER**

The purpose of this special newsletter is to bring everyone up to speed on an issue that has been communicated via email to those Greenfield Estates residents who have shared their email addresses. By now everyone may have noticed a strange odor in the air starting a little over a week ago. It was determined that a company was dumping sewage sludge in an area field. While the company decided to cease operations on the field in question after numerous calls from Greenfield Estates residents, it is possible that sludge dumping could occur elsewhere in the area. Please know there is a great deal of information being circulated, and some of it is misinformation. It has been difficult to determine fact versus fiction.

In an attempt to determine the facts, the Greenfield Township Trustees have scheduled a special meeting on Wednesday, September 14, 2011, at 6:00 p.m., at the Greenfield Township Firehouse at 3245 Havensport Road NW, Carroll, just prior to the township trustees' regular meeting. The township trustees have invited numerous companies and organizations to provide information and answer questions about the sludge dumping, and many of them have responded affirmatively. Your POA Board of Trustees encourages you to attend this meeting. One note of caution about the meeting – A wise person once said, "You get more with honey than you do with vinegar." The POA Board of Trustees realizes that once in a while you have to go the vinegar route, but honey is preferable!

On a side note, if you are receiving this via snail mail, the POA Board of Trustees invites you to share an email address for future notifications. This issue described above is an important one. It is one that occurred rather quickly, and emails sent to residents were very helpful in getting answers to questions. It would have been nice to have been able to communicate with all residents about this important issue. The POA does not sell or disclose your email address to anyone nor does it send trivial emails. All emails to residents are sent as "blind copy." Please consider sharing an email address by sending it to Mark Weedy, POA President, at [mweedy@columbus.rr.com](mailto:mweedy@columbus.rr.com). Thank you.
